To

The Hon'ble the Revenue Member, Sir Mahomed Habibulla Sahib Bahadur

Fort St. George,

Madras.

Sir,

You may perhaps remember that, besides submitting to you my own personal opinion that the abolition of the Siriguppa Taluk was a hasty measure, I led a deputation to you which respectfully urged that the abolition of the Taluk and the consequent removal of the Taluk Office to distant Bellary meant considerable hardships to the village officers and the ryots who were under the necessity of going to the Taluk Office. You were then pleased to appreciate their position and held out hopes that the Siriguppa division would be constituted into an independent Tahsildar's division with power to pass pay bills and disburse salaries, to deal with special fund acounts, to attend to jamabandy etc. But I regret that the Taluk Office has been removed from Siriguppa without, however, securing the people from the inconveniences complained of by them. Formerly the village officers were sending their pay bills to Siriguppa and getting them cashed there. Now, they are obliged to send their bills in the first instance to Bellary for pass order, and after getting them with the pass order, they have to send them a second time to Siriguppa for encashment. Again for the settlement accounts, the poor village officers are being dragged to the Taluk Office at Bellary. I ~~earnestly~~ wished that you had the proposed change notified and heard the people, before you carried it out. If that had been done, I have not the slightest hesitation in saying that you would have turned down the proposal as you did in the case of Ananthapur where indeed the case for retrenchment was much stronger than in Bellary. If you will kindly send for the papers which

Constitution

recommended the abolition of Siriguppa Taluk, you will find that the case for the continuation of Siriguppa Taluk is not one whit less now than it was when the Taluk was newly cnstituted. I do not want to go now into the whole question once again. I am convinced in my own mind that the Taluk will have to be restored sooner or later. -- But till then, I most earnestly beg of you to take into consideration the plight of the people affected and give them the relief which they poor people, thought they had secured at your hands. I learn (I don't know how far my information is correct) that the collector is already in correspondence with you on the subject. If so, the orders thereon — I mean, favourable orders, may be expedited.

~~Yours sincerely,~~

Yours sincerely

A Ranganathan

P.S.

I shall be in Madras for a week more, but for a two days visit to Conjeevaram.

Read the following paper:-

Letter from A.C. Duff Esq., I.C.S., Collector of Bellary, No. Ref. C. 7179-22-A-4 dated 30th June 1923.-

Jurisdiction- Siruguppa-Deputy Tahsildar's division- Special Fund work- Board's reference No. A 2240-23-1, dated 5th June 1923.

There is no objection to authorise the Sub-Treasury officer, Siruguppa to pass the pay bills of the village officers but the bills need not go to the Taluk office for audit; they may be submitted direct to the Audit office which will avoid delay.

Collr. office, Treasury Rebate Contl. Branch

The village officers represented to me during jamabandi the inconveniences they would be put to in submitting pound accounts to the Taluk office. The Sub-Treasury officer, Siruguppa may also be authorised to receive and pass orders on the pound accounts and pay commission to the Pound Keepers. This arrangement will require the maintenance of several registers in the Deputy Tahsildar's office for Special Fund and Cattle pound accounts. The present establishment of the Deputy Tahsildar may not cope with the additional work and I therefore recommend that a special fund clerk on Rs. 35-35-1½-50-1-60 may be sanctioned for the Deputy Tahsildar's office.

Reference.-

Submitted to Government with reference to their endorsement No. 2057 C/23-1 dated 29th May 1923.

2. The Board sees no objection to authorise the Sub-Treasury Officer, Siruguppa to pass the pay bills of the Village Officers and also to pass orders onthe cattle pound accounts and pay commission to the Pound keepers as proposed by the Collector.

3. As the Deputy Tahsildar's division consists of only 46 villages, the Collector may be asked to arrange for the work with the existing staff. If any addition is found necessary later, a clerk may be added to the Deputy Tahsildar's establishment.

To RCS.

The Board's proposals are dealt with in linked file. Mr. Ranganatha Mudaliar's proposal apparently is that the Sirugoppa Dy. Tahsildar may be formed into at least an independent Dy. Tahsildar Divn. if not into a taluk. For orders as to the action to be taken on it. The proposals in the linked file do not affect this question. Perhaps Mr. Ranganatha Mudaliar's letter may be referred to the Board for remarks.

Independent dep tah in rural areas is a novel arrangement. As there can be a Sub-Tsy at Sirugoppa it must be possible to arrange for the payment of bills & vos entirely there by TP. Appn for post audit cable

encadrait. The Board may
be consulted.
